

WHAT WE DO

- Provide strategic planning, policies and priorities for the administration of the HMIS program.
- Develop and approve a system-wide budget for the HMIS program.
- Provide recommendations from users on HMIS.
- Develop resources to meet HMIS program budget needs.
- Establish and maintain a grievance policy that is understood and trusted by all constituencies.
- Ensure system compliance with HUD and legislative mandates.

OUR PROCESS

HOW TO JOIN US

Share your expertise with the HMIS Governance Board! Visit hmismn.org/hmis-governance to see openings and meeting documents from the following committees:

**Policy and
Prioritization**

Strategy | Feedback | Performance

Finance

Budget | Resources | Contracts

Implementation

Technology | Training | Ease of Use
